ery question considered; in fact he has hood of his person. shown that he knows when silence is golden, but when be does speak he has something to say and his words carry conviction and weight to sensible men. The member from Boyle is a big-brained, liberal-minded man, and as our Lancaster scribe intimated on one occasion, he could come nearer making the right kind of a constitution than any man in the body. At any rate our confidence in question any that he would propose.

THE reappearance of Lydia Thompson years or more ago, her shapely limbs and saucy ways were the admiration of every male biped, who was fortunate enough to see them. She is the first tion was a wonder to him. With the exception that age has brought on fleshiness she still presents a very creditable matism of 55 winters have somewhat home. stiffened her joints.

THE calendar shows that this is the 27th, but in the National Senate it is still the 22d, the legislative day of Thursday last having been continued for such a vigorous manner as to make the the purpose of forcing a vote on the old setting hens in the Senate madder cloture. The republicans have a quothan ever. rum now and can pass anything they wish, if, like Reed, Vice President Morton disregards all precedent and throttles the voice of the minority, that is if he can get a solid backing from his party, which now seems impossible.

MR. B. H. RIDGELY and his lovely bride have returned from a tour of Cuba and Sunday's Louisville Truth contains a graphic description of the scenes, manners and customs of that land of flowers, seven widows are still living. over the well-known nom de plume of Bend Or. Mr. Ridgely is not only a road has been settled by the discharge of graceful, but a most entertaining writer, the chief dispatcher and traffic has been town of Seaville, Washington county whose productions are always enlivened resumed, by the humor that seems to almost bub ble from his pen, without any apparent others injured in a fire at Buffalo N. Y., office and other buildings were con-

JUDGE JACKSON'S decision that the lotteries have rights that the legislatures Gras has been fixed at 11 fares for the Kansas to see if he can fix up those cannot destroy, goes like cold steel to round trip. The rate is the same on all fences, but before his departure he the heart of Dan E. O'Sullivan, of the competing lines. Louisville Critic, who has fought the octopus for years with a determination cine Lodge, Kas., is in the hands of the since 13 Alliance men voted with the which showed his earnestness. Hope government examiner. Assets \$82,000; republicans against tabling the petition ing of springs eternal in the buman breast, though, and Mr. O'S. is confident that the court of appeals will take decided issue with the Louisville judge.

THE Somerset Republican spurns our offer to compromise the Reporter's slander suit against it and us, and demands an opportunity to make good its charges. As Bro. Lewis is better acquainted with the facts in the case than we are, of course we shall leave the matter to him and hereby withdraw our proposition. The fight is now to the finish and "d-n be he who first cries, hold, enough."

This is about the proportion all over the country. A poll of the Alabama legislators showed that 30 out of 33 senators and 68 out of 76 representatives are for Cleveland for president in 1892. The probabilities grow daily more certain that the race will be made up the same as in 1884 and that Grover will again put Blaine in the soup.

In the Ohio legislature a republican member, purely for buncombe, offered a gregate \$75,697,143 for the last 6 months, keeper, with whom she had become inbill to require that the U. S. flag should an increase of nearly seven millions over fatuated, but Mr. Long followed and sucfly over all public schools. The foolish the corresponding time of last year. and costly proposition was voted down by the democrats and the radical papers across the Kansas and Missouri line, of the State are raising their usual was cut in two by Kansas authorities howl.
